## INSIDE A BARELY LEGAL GIRL

**Hey! It's me, Lindsey.** You guys, this month we are celebrating BUTTS. I have honestly never seen so many awesome asses in one issue.

We have tiny Riley, 94 pounds—84 pounds of which is booty. We have Ginger with her tight little yoga tush, and Luna with her oh-so-squeezable cheeks.

Cover cutie Scarlett dares you to spank her round, rock-hard heinie. Cheerleader Danielle challenges you to skip past her glorious double Ds and head straight for her gravity-defying derriere.

And let's not forget the adorable buttHOLES on Ella and Natalia. Are you feeling hungry? ;)

It's impossible to say who has the best butt. These are *all* prize-winning pooters. One-of-a-kind keisters. Hall of Fame fannies!

What do *you* think?

xxx Lindsey

PHOTOGRAPHY BY  
THISYEARSMODEL.COM

**H**ey, guys! It's Abby the intern. My naughty thoughts about sweet Scarlett would make you blush!

**Hey, Scarlett! How would you describe yourself?**

I am independent, charming, funny, and am the "good vibe" at the party.

**What do you do for fun?**

In my free time I love to go for runs and model with friends!

**What do you like best about posing nude?**

Posing nude gives me a lot of freedom and is the most natural and genuine way to show the curves of the body.

**What is your best physical feature?**

My booty.

**What turns you on the most?**

Being comfortable is always a turn-on for me! I like to feel cozy and cuddled!

**What turns you off?**

Bad hygiene, bad smells, and dirty apartments.

**What kind of guys do you like?**

Guys that are super casual and nonchalant about things. If they have nice cars I like that, too!

**How do you like to be fucked?**

From behind.

**What's the best way for someone to make you come?**

Talk sexy to me!

**What's the best way for a guy to ask you out?**

Not really sure—I have never dated any guy—but definitely not through texts or messages! A guy who isn't afraid to tell me how he feels is the best!

**We have to go. :( Any last words for our readers?**

I hope you enjoy my photos, and there will definitely be more! :)

## JUNE 2022 PANTY CONTEST WINNER!

Thank you to everyone who entered. Congratulations, K.R.!

**BRITT**

Dear Britt,

I want your undies and imagine you in them, slipping out of them. I want to lay them across my boys and have an erection. I want to hold them up to the sun, the stars, and the moon and sniff them. Toss them in the air and have them land on my erect penis. Dream of my tongue licking your pussy. Tasting the rainbow. Tasting Britt. Tasting sweetness.

K.R.  
Mississippi

Dear BARELY LEGAL,

Received the May issue, and let me tell you, that issue is one of the best so far. There is so much pink in there, oh man. I thought I was going to go blind from jerking off so much, LOL.

Anonymous  
By email

LOL! I'm glad that's just an old wives' tale, or I would be totally blind from my job!  
—Lindsey

Dear Lindsey,

I love all the energy from the small-boob models in the June issue. Britt Blair's smile fires me up. Dee Shunu (BARELY LEGAL Confession) has a delicious attitude that increases my arousal. Dani Lynn's boobs beckon like honeysuckle blossoms on the vine.

As for her question ("What do you think my skin feels like? Food-related answers only."), I believe that Dani Lynn's skin feels like butter. Smooth and soft, small indentations with warmth, salty and yummy. Any busy bee wanting pollen would visit our Dani! Not to mention Sophie Sparks and her lovely bush that would tickle this man's fancy, face, lips, and tongue.

To answer your question, my biggest crush in high school may have been Kate Jackson on *Charlie's Angels*. She was great, but replaced by Christy Canyon in a psychologist

**DEE**

scene that sticks in my memory from one of the first porn magazines I bought. Christy's boobs intrigued me for years, and she had bush in those days, which was awesome and, may I say, bodacious.

Yours,  
P.D.  
By email

*P.D., you made me think of another question. Someone (an older guy) told me one time that I look like Kelly from Charlie's Angels but with shorter hair. Was he just saying that, or do you think it's true?*  
—Lindsey

Dear BARELY LEGAL,

My answer to Lindsey's question about my high school crush: Well, believe it or not, but I had a crush on my math teacher, Miss B. She had these big, huge tits and a very firm, small, tight ass, and I swear she shaved her pussy. At least I hope she did. She was pretty young—I'm guessing late 20s, early 30s. She had the body of a god. Of course I would never tell my girlfriend that, even though her body was out of sight, too. But Miss B.'s body was better!

M.K.  
Iowa

*I love your answer, M.K.! Makes me miss high school...*  
—Lindsey

Hi Lindsey,

I'm answering your question of the month: Who was your biggest crush in high school?

## DEAR BARELY LEGAL READERS

Hey, guys! It's me, Lindsey. Our question this month is inspired by reader P.D.: **Do you remember the first porno you ever watched?** Can't wait to hear from you!

My high school crush was Hilary Duff. She's so pretty. I always wanted to spread her butt cheeks with my hands, put my nose up against her butthole, and sniff her big sexy butt. In my fantasy, she is completely naked!!!

Justin  
Pennsylvania

*Thanks, Justin! Hilary Duff is still so pretty. Have you seen her on that show Younger? I have a little crush myself!*

**H**i, guys! It's Abby the intern. Porn cutie Luna is sweeter than cherry pie.

**Hey, Luna! How would you describe yourself?**

I think I'm really nice, somewhat outgoing. I think I'm bubbly in some regard, but that's just a little hard for me to describe.

**What do you do for fun?**

I play video games and I listen to music. I also make art.

**What do you like best about posing nude?**

I think there's definitely an excitement to it.

**What do you like best about doing porn?**

I just like how it feels, and I think new scenarios to play is fun.

**What is your best physical feature?**

I get compliments on my eyes a lot, so probably my eyes. But I also get a lot of compliments on my boobs, ha ha.

**How often do you masturbate?**

Just here and there, just whenever I feel horny.

**What turns you on the most?**

Neck kisses, and being felt up.

**What turns you off?**

*Oof*, turn-offs. I think what turns me off most is when someone smells bad or doesn't take care of their hygiene. I think also being disrespectful to me or others is a turn-off.

**Do you like to give head?**

I do like giving head. I love seeing how I can please someone. It makes me want to make it feel better and better for them.

**Do you like to swallow?**

# confessions of a high school cheerleader

by danielle t.

**H**y name is Danielle, and I'm a cheerleader. That sounds like a confession, LOL! In a way it is, because I have things to tell you about cheering that you might not know but have always had questions about.

For instance, the main question I always get: **Do cheerleaders wear panties under their little skirts?** The answer is, Yes, of course. Except for the times we accidentally forget.

Another one is, **Why are your boyfriends always football players and other athletes?** There's a very good reason, which is away games. A lot can happen on a bus at night, and the next thing you know, you have a boyfriend. Actually, if you want to know, sometimes we go out with guys from marching band because you can't see how geeky they are. All fingers feel the same in the dark. ;)

This question always cracks me up: **Are cheerleaders lesbians?** It's true that we're very close and affectionate and seem to be part of a secret society. (FYI, it's called team spirit.) But we're mostly not gay.

The closest I ever personally came to lezzing out was when I accidentally discovered something one time during halftime. Our routine ended with me on Heidi Huckabee's shoulders and my coochie pressed against the back of her head, like usual, but somehow I must have bumped too hard against her and all of a sudden my insides were spinning and I was screaming. Lucky thing everyone was hollering at that point, or I would have been so busted! Although Heidi did bitch at me later for squeezing her head too hard between my thighs. →

Anyway, it turned out that was my first orgasm. I heard from other squad members that the same thing happens to them sometimes. So that answers another question: **Why are cheerleaders so cheerful all the time?**

Kind of an insulting question I get a lot is, **Why do cheerleaders act so goody-goody when everyone knows they're sluts?**

First of all, what is a slut? Is it someone that just enjoys sex, a natural activity? That would be me!

To be honest, I was going to wait until I had a boyfriend who I was in love with to lose my virginity. But then I had that first orgasm, and then I practiced on myself and had orgasms all the time, and then I was like, I have to find out if they're even better during actual sex with another person. And they are!

FYI, my favorite way to have sex is when the guy is behind me, because I think my butt is my best feature. When you're all naked and sweaty and your hair is messy and your makeup is running down your face, you really want

your best feature to be the main thing the guy sees. Also, doggy-style is the cutest name for sex, don't you think?

Speaking of my booty, here is a little extra bonus confession for you: I love butt sex! It was kind of automatic that it would happen someday during regular sex because I'm always on my hands and knees and my butt is irresistible. (LOL!) But I didn't think I would like it. Because how can you have an orgasm? There's no clitoris in your butthole, in case you never took biology!

The solution was obvious: I just rub my coochie button while the guy's penis is in my butthole. I have the biggest orgasms that way, which has made me kind of obsessed with doing it in the butt, which, side note, has made me very popular. In fact, I'm the most popular cheerleader on the squad, even though the title of captain was stolen from me by someone who is totally sleeping with the *lady* cheer advisor. (Oops, did I say that out loud?)

Well, that's all the questions I can think of. I hope you had as much fun as I did! ★

**H**ey, it's Lindsey. The last time porn cutie Ginger was here (July 2022), all she wanted to do was come back. We wanted that, too!

**Hello again, Ginger! What do you like best about posing nude?**

It feels like a very natural state for my body. I feel comfortable and confident in exposed skin.

**What do you like best about doing porn?**

I love getting to try new things I wouldn't normally try. And I get to work with all sorts of talented people.

**How often do you masturbate?**

Typically three to five times a day, depending on how busy I am. But I like to make sure I wake up with an orgasm and go to bed with an orgasm.

**What's your favorite method?**

I've recently been playing with vibrators, but clit stimulation with my fingers is always the go-to.

**What kind of guys do you like?**

I love all kinds of guys for different reasons. I don't really have any specific type that I prefer. I thrive on emotional connection.

**Are you bi?**

I'm actually pansexual. I love everybody. I respectfully want to fuck all identities and people.

**What kind of girls do you like?**

Now this one I have a little bit of a type. I'll admit I'm pickier with girls. I have a hard thing for brunettes. I love blondes, too, but brunettes are so pretty to me, and I connect with them better.

**What's your favorite position?**

I really love missionary. It's so intimate and close. You get to look into each other's eyes and feel it hit deeper.

**How do you like to be fucked?**

I'm a passionate partner, but passionate doesn't mean I don't like it rough. I still love a good hard fuck where my eyes roll back halfway through.

**Do you like anal sex?**

I'm still getting used to it, but once it's in I have a great time.

**Where's the weirdest place you've had sex?**

Definitely a track field when I was still in high school.

**What is the wildest thing you've ever done?**

I love forest sex. It's literally wild. You really connect with your partner and the earth.

**What's the best way for a guy to ask you out?**

Just do it. Strike up a conversation, and if I click with you it doesn't matter how you approach me, I'll go on a date with you.

**How would you describe your dream date?**

We start with beach sunrise yoga, grab smoothies, go to a dog park and play with dogs, then end with a cute cafe lunch. I don't really like evening dates. They feel so formal.

**What's your favorite fantasy?**

I want to be tied up, suspended in air, and a vibrator left in me until there's a puddle on the floor and I'm damn near passed out from pleasure.

**What are your career plans?**

I want to continue doing porn until I'm too old, and then I want to sing in fine-dining restaurants until I'm gray. It sounds like a dream.

**Is there anything else you would like to tell our readers?**

A lot of models in the industry seem unreal and untouchable, but we're very real and we're some of the nicest people you'll ever meet. Talk to us, we love to chat it up. Don't be afraid. ★

**Favorite thing about doing porn:** I know my body better now, and what I like.

**Biggest turn-ons:** Pull my hair and lick my pussy.

**Best sex skill:** Squirting. Unfortunately I can't always control it, and some people don't like getting wet. Oops!

**Favorite position:** Doggy. But I squirt in missionary.

**Favorite way to fuck:** Very fast, passionate, and hardcore.

**Favorite place for guys to come:** In my mouth—or wherever else they would like!

**Message to BL readers:** Love is always the answer.

## Tiffany

**About me:** Probably not your mom's first choice.

**Favorite pastime:** Cooking. It's relaxing and rewarding.

**Best physical feature:** My extra-long legs—they make me look even taller than I am.

**Best way to stay in shape:** Riding horses, doing yoga, sexing my little heart out, and starting each day with fresh juice.

**Pet peeve:** Liquid lipsticks are not blowjob-proof.

**Favorite thing about posing nude:** When you walk away with a truly interesting photo of yourself.

**Best compliment ever:** Someone said I had eyes like a young Elizabeth Taylor. ♥

**Favorite sex toy:** My Hitachi.

**Best sex tip:** Sucking dick without licking the balls is a half-ass blowjob.

**Naughtiest habit:** Playing with my asshole then licking my fingers.

**Favorite place for guys to come:** Creampies are romantic.

**Message to BL readers:** I hope I'm your perfect image of a wet dream.

# ARIELLE

## raw teen talent scout

PHOTOGRAPHY BY RICHARD KERN

**H**er name is Arielle, but everyone calls her Scout because she's always looking for young boys to devirginize.

"My friends wonder why a hot 18-year-old like me wastes her time on young geeks," Arielle says, "'Don't they come too fast?' 'I bet they're afraid to lick you.'"

"Those silly bitches don't understand the feeling of hot, raw power that comes from teaching young boys how to kiss and

fuck. The quick learners suck my joy button right the first time. Other dorks pretend not to learn. They like being punished. When they ask, 'Is it good, Mistress?' I say, 'No, it sucks,' and give them a taste of latex or a kick in the nuts.

"I've molded dozens of sniveling geeks into hard-core pussy slaves. Even the ones who hate me worship my ass. Sexuality isn't a big fucking mystery. All boys want in a girl is a drill sergeant with a really soft pussy." ★
